NEW Feature on our Website:

We are collecting profiles from our members and featuring them on our website. We have started with two, but now you can join the group! The profile page features a "young" picture of the Prime Timer, guess who he is! Then when you click the picture, you will find his profile and his contemporary pic! We know not all our members will be interested or able to join in, but the more the merrier. It helps new members to acquaint themselves with the guys in the club, and it helps

those who go to our website to know more about us as well. Our website address is:

www.Primetimersdc.org, click "About Us" on the homepage. Fill out the fact sheet and a member of the Board will write and edit your profile. The application is on the last page of this newsletter, please fill it out and email to: allan.armus@verizon.net

Windows in the summer!

As you know, spring and summer is a very popular time at the Dupont Italian Kitchen, and you also know how generous they have been with our club over the years. Staff have talked to us and ask that three changes will help them and us be better served by the restaurant. 1) They would like us to move up our dinner time to 6:45 pm to get in before the "big rush" that starts just about 7pm. So our Happy Hour will now start at 6:00 pm and not at 6:30 pm as it has been traditionally. 2) They are going to offer us a Club Menu of a limited number of entree's so they can get our meals out to us faster, in competition with all the other diners. 3) Just for the summer months, they can no longer provide separate checks, but will do checks by tables. Remember that the amount you pay is: your **food and beverage amount** PLUS 30% (10% for DC tax and 20% for tip). For example: you may have had: Ravioli Alfredo, \$13.00 & Red Wine \$6.00 = \$19.00 x 30% Tip & Tax = \$5.00..You pay \$19.00 + \$5.00 = **\$24.00.**
