"Eminent Elders" Celebration, February 3rd.

On Wednesday, February 3rd, we had our first *Eminent Elders Celebration*, we acknowledged three of our members who will turn 90yrs old this year. Ray on May 5th, Carl on May 27th and George on September 18th.

Each of the guys received a rose boutonniere when they arrived. The club picked up the cost of their dinners and provided wine for the whole crowd. (As another tribute, DIK picked up half the cost of the wine for the evening).

NEW Feature on our Website:

We are collecting profiles from our members and featuring them on our website. We have started with two, but will be contacting you soon to ask if you would like to join in. The profile page features a "young" picture of the Prime Timer, guess who he is! Then when you click the picture, you will find his profile and his contemporary pic! We know not all our members will be interested or able to join in, but the more the merrier. It helps new members to acquaint themselves with the guys in the club, and it helps those who go to our website to know more about us as well. Our website address is: www.Primetimersdc.org, click "About Us" on the homepage. We will be sending you a little questionnaire to fill out and a member of the Board will write and edit your profile.

RAINBOW HISTORY PROJECT

Preserving Our Community's Memory

Greetings!

Happy 2016! As we begin 2016, we are planning our upcoming events, building new community partnerships, and giving thanks to all those who donated to our Friends Radio Digitization project, including Brother Help Thyself, the DC Preservation League, Capital Pride, and many generous individuals. Thank you all so much--with your help we have launched the project in beta mode and will be looking for volunteers to help shortly!

In the meantime, the community is invited to attend our **2016 Annual Meeting on Thursday March 24 6:30-TBD at the DC Center for the LGBT Community, Reeves Center at 2000 14th St. NW**. We will be recruiting and electing several board positions at that meeting, so if you are interested in getting more involved on our working board or in learning more about what we do, please attend!

Please check http://rainbowhistory.org/?page_id=460 our website as we add more 2016 events, including walking tours, archiving sessions, public panels, and oral history trainings. In the meantime, if you are interested in volunteering: with the digitization/ transcription process for Friends radio, with grant-writing, archiving, leading walking tours, or giving or taking oral histories, please contact us.

Thanks for all you do.

Best wishes in the new year,
Chuck Goldfarb
